AT THE CLOSE OF THE YEAR.

mbarrassing. which Canadain isted, has decid-

source, but nothing was done about it. The proposed for peace is proportioned to the solidarity of the Allica, not to the pacific intentions of Berlin.

Albania is again a atom centre. The Germent and there has been chased out of the country as the result o. an insurrection. The Ministers have taken refuge in Haly. It is claimed that the upriling was plotted in Jugo Slavia, and that the crebels got their arms from the arsenals of the second of the country. The Balkans, it is due to remember, we the starting point of the last war, and the interest of the second of the second of the arms of the second of the seco AT THE CLOSE OF THE YEAR.

If the closing year has not been made memorable in Canada by events or developments of a preteacular kind, it has brought to the country a substantial measure of advancement which gives promise of better times in the one to come.

The western provinces, after an unfavorable epring and early summer, reaped a belated harvest beyond expectations in quantity and of more standard and advanced the product of the provinces and approach the bumper total of law and approach the bumper total of the provinces and approach the bumper total of the provinces are the higher prices prevailing made it worth more than any corresponding amount of grain able to worth at any time since the war ended. From the provinces are provinced and poultry products have been readily send the provinces during the year, and poultry and poultry products have been readily send the provinces during the year and poultry and poultry products have been readily send the provinces during the year. The products have been readily send the provinces during the year and poultry and poultry products have been readily send.

The stock raising branch has not shared comparatively prosperous times, but prices have a few provinces and poultry and poultry products have been readily send the provinces during the year, and poultry and poultry products have been readily send the provinces during the year, and poultry and poultry products have been readily send to the products and products and products and poultry and poultry products have been readily send to the products and products and the less producing the products and products and the less producing the products and the less producing the products and the less producing the products and the less produc

YEARLY CLEARANCE

OUR

AN OPPORTUNITY LIKE THIS COMES BUT ONCE A YEAR!

We positively do not carry over last year's styles and for this reason have decided to clear out our broken lines at sacrifice prices. The shoes are by the best makers taken from our regular stock - the same as you would buy at any other time --- outside of the price.

Over 600 pair of discontinued broken lines on sale at great reductions. Not all sizes in each line, but all sizes in the lot.

You will be well advised to take advantage of these wonderful bargains.

Several lines of high class Ladies' shoes, all sizes in the lot including Brown Satin, low heel, Black Satin, Baby Spanish heel and Grey Suede, low heel. \$2.95

Brown Kid Oxfords, worth their reg. price of \$11.00, for \$4.95 Patent Straps, medium and low heels, Reg. to \$9.00 for . \$5.45

Brown Calf Oxfords, many different lines, Reg. \$9.00 for \$4.95

THIS SALE OPENS FRIDAY MORNING, JANUARY 2nd.
